Woodlands Primary School

Reference: 97 / 2018

5 July 2018

Dear Parents and Guardians,

We hope you had an enjoyable time bonding with your children over the school holidays. The school is excited to welcome your children back to start a new semester together, and we look forward to the continued partnership with you in the development of your children.

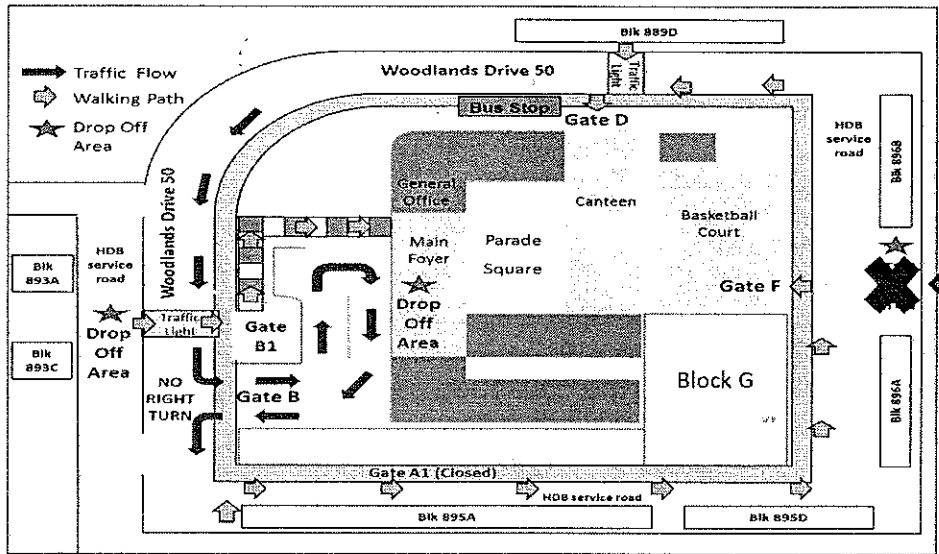

SEMESTER 2 CALENDAR

The main events for the semester have been summarised in the attached school calendar for your reference. Please use this calendar as a guide. There could be changes due to unforeseen circumstances and we will keep you updated.

TRAFFIC MANAGEMENT PLAN

- 2 The safety and security of our pupils are our top priority. We have put in place measures to make sure that the school is safe and secure for our pupils. We would like to remind parents/guardians to drive safely at all times within the school compound and along Woodlands Drive 50. We seek your cooperation to adhere to the instructions given by our staff, security guards and parent volunteers on duty.
- 3 We have designated two drop off areas for you to alight your child safely:
 - In school at the main foyer
 - Opposite Gate B (along service road beside block 893A)
- 4 We would like to advise parents not to drop off or wait for your child along the service road beside Block 896B (Opposite Gate F). Vehicular traffic is heavy along the service road and we have observed a number of near misses at that area. For the safety of your child and other children, please drop off your child at the two designated drop off areas as indicated above.

5 Please refer to the traffic flow diagram for the location of the drop off areas and direction of vehicular flow into the school.

Please avoid dropping off or waiting for your child here as there is heavy vehicular traffic along the service road.

Preparing Your Child's Transition to Secondary School

6 MOE has been organising "Preparing Your Child's Transition to Secondary School" Seminar in the last few years to help parents understand the importance of parental support as their child transits from Primary to Secondary School. This year, parents will hear from a school leader, psychologist and parent who will share tips and information on how they can support their child in dealing with stress in the lead-up to PSLE, selecting a suitable secondary school and adapting to a secondary school life.

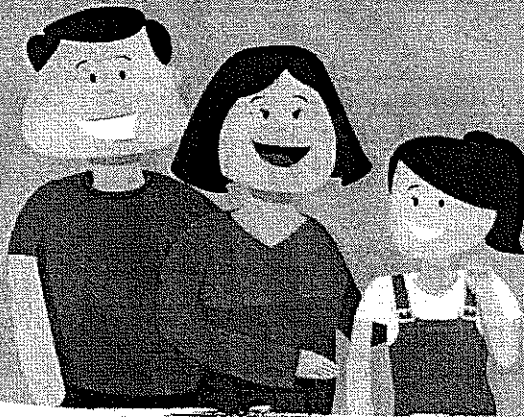

7 The eDM below provides details to parents of Primary 5 and 6 students on the registration process for the seminar. The information will also be publicised on MOE's Facebook and registration will be open to the public from 9 July onwards.

ARE YOU A P.S.L.E PARENT?

- Is the PSLE overwhelming you and your child?
- Are you thinking of how to select a suitable secondary school for your child?
- Do you wonder how secondary school life will be like for your child?

Join our panellists at MOE's seminar **"Preparing Your Child's Transition to Secondary School"**, and find out how you can better support your child during this period of transition.

PANELISTS

Mrs Tan Wei Lan
Coordinating Director,
Communications and Engagement Group,
Ministry of Education
