Dear Parents,

P4 Values in Action (VIA) Programme – Interaction with Pupils from WGS

In order to provide experiences that support pupils' development as socially responsible citizens who care for their environment and the people around them, the school is organizing interaction activities between pupils from Woodlands Garden School (WGS) and all Primary 4 pupils from WDP. Through this programme, we hope to foster pupils' ownership over how they can show care and concern to the community and in the process, help pupils learn important values such as respect, compassion and empathy.

Overall Focus

To develop pupils socially and morally through service to the school, the environment and the community.

Benefits

- √ Encourages pupils to make a difference to the community.
- √ Supports pupils' development as socially responsible citizens through the learning and application of values, knowledge and skills.
- √ Provides opportunities for pupils to reflect on their experience, the values they have put into practice and how they can continue to contribute meaningfully.

The interaction activities will take place on Mondays. Please refer to the schedules attached overleaf on the details of the visit by WGS pupils. We seek your support to allow your child to participate in this programme. Kindly take note that a consent form will be issued nearer to the date of the visit.

Thank you.
