## Woodlands Primary School

Reference 37B / 2017

2<sup>nd</sup> March 2017

Dear Parents,

### **Sports Exposure Programme (SEP) for Primary 2**

As part of the school's Learning for Life Programme in Sports, the school is conducting Sports Exposure Programme for all Primary 2 pupils. This programme is designed with the intention of enhancing our pupils' development in the physical and social domain. Your child is strongly encouraged to participate in this programme. The programme consists of 6 lessons and will be conducted by our teachers. The objectives of SEP are as follows:

#### **Objectives of SEP**

- To expose pupils to a wide range of sports skills
- To identify pupils with good potential and abilities in sports
- To increase physical activities amongst our pupils through a structured programme
- To enhance the physical health and well-being of our pupils as part of holistic education
- To develop pupils' character, leadership and positive attitude through sports participation

We hope that the early exposure will allow our pupils to excel in sports. Upon completion of SEP, eligible pupils will be invited to participate in the Sports Training Excellence Programme (STEP) for volleyball, one of the niche CCA.

The SEP schedule and additional information (Annex A) is attached for your reference. In the event of any changes or cancellation to the sessions, a letter of notification will be issued to the pupils. You will also be informed if your child is selected to join STEP at the end of the programme.

Should you need further information, please contact Mrs Amy Soh or Mr Chin at 6269 7410.

Please submit the completed Reply Slip to the form teacher by **9<sup>th</sup> March 2017**. We look forward to your interest in supporting your child's participation.

Thank you.

Yours sincerely,

Mrs Amy Soh  
HOD PE, CCA & Aesthetics
