Dear Parents / Guardians

Read with Parents

To develop the love of reading and cultivate a habit of reading a variety of books, we seek your support for the above initiative.

It is an initiative for parents to read with their child more regularly during the weekends. This program aims to strengthen the parent-child bond and instil the passion to read.

Every week on Thursdays, your child will bring home a storybook to read with you. The book is loaned for the weekend and the child has to return the book on Tuesday in the following week to his/her English teacher.

Please ensure the book is well taken care of and is returned punctually to the teacher.

Have a great time reading with your child.

Thank you.

Yours sincerely,

Sithi
