## Woodlands Primary School

14 September 2017

Dear Parents

### LEARN-TO-SHOOT PROGRAMME-BASIC COURSE – 22 NOVEMBER TO 2 DECEMBER 2017

Woodlands Primary School is collaborating with the Singapore Sports School to provide a Learn-To-Shoot Programme Basic Course. The Singapore Sports School has inherited a world class 10 m shooting range, a legacy of the Youth Olympic Games. To promote the sport of shooting amongst the young, the Singapore Sports School has designed a comprehensive Learn-To-Shoot Programme for selected primary schools. (Note: Only Primary Five students in 2017 will be eligible to participate. Pupils signing up for the course must be **Singapore citizens** and have **eyesight with 200 degrees or lower.**)

2 The Learn-To-Shoot Programme runs for **2 weeks with 3 training sessions per week from 20 November to 2 December 2017**. Each student will go through 6 sessions of either pistol or rifle course. Participants will be introduced to simple and modified shooting techniques suitable for young children. The topics include safety, air gun handling, holding and aiming techniques, triggering and breathing control. The course will culminate with the Junior Shootout on **3 December 2017** where selected pupils will be invited to participate.

3 After the Learn-To-Shoot Programme, the Singapore Sports School will offer 10 Primary Six Shooters a place in the Singapore Sports School Shooting Academy's 2019 Secondary One intake.

4 A selection screening will be conducted on **26 September 2017, Tuesday, from 2.30 pm to 3.45 pm** (estimated dismissal timing) in the school. Your child will be put through a series of tests on 1) Concentration, 2) Focus Ability, and 3) Balance. These are general traits that are important for shooting. The Singapore Sports School will use the results of the selection screening to stream your child into either the Air Rifle or Air Pistol Course. Your child will be dismissed once the selection screening is completed.

5 Once the Singapore Sports School has completed the screening, they will inform you if your child is selected to participate in the programme. The Basic Course fees is \$30. You only need to make payment **after** your child has been selected into the course.

6 If you want your child to participate in the selection screening, please fill up the reply slip and hand it to Ms Kayci Lim by **22 September 2017 (Friday)**. For enquiries, please call the school at 62697410 (General office) during office hours.

Yours sincerely

Mrs Amy Soh
