Dear Parents/Guardians

### ***Thumbs Up* Magazine Subscription for P5 CL pupils**

To promote the habit of reading and reflection in the Chinese Language (CL) classroom, the *Thumbs Up* magazine will be used by the CL teacher in class. This subscription is **compulsory** for all P5 CL students.

2 *Thumbs Up* is a bi-weekly magazine for students. It has transformed from tabloid-sized newspapers to A4 sized magazines, with clean and sleek visual designs more suited for digitally savvy youths. The engaging and in-depth content in this 32 pages publication by SPH, will aid the students in their journey to better their Chinese language, current affairs and general knowledge.

3 The subscription fee is S\$30 for 20 issues starting from January 2018. If your child is a Singapore citizen, deductions will be made from your child's Edusave account. For Permanent Residents, foreigners or Singaporeans who have not made the Edusave Standing Order, please make payment by cash to your child's CL teacher. The latest collection date is 14 Feb 2018 (Wednesday).

4 Please do not hesitate to contact Mdm Woo Wai Kwan at 6269 7410 if you have any queries.

5 Thank you.

Yours sincerely,

Ms Ong Suan Hong
