## Woodlands Primary School

Reference: 42 / 2018

22 Feb 2018

Dear Parents/Guardians,

### P3 VALUES IN ACTION (VIA) PROGRAMME – BUDDY CLEAN WORKSHOP

In order to provide experiences that support students' development as socially responsible citizens who contribute meaningfully to the community, the school is organising a Buddy Clean Workshop in collaboration with National Environment Agency (NEA).

2 Through this programme, we hope to:

- inculcate in students positive social values and norms in keeping the environment clean
- equip students with the relevant skills to carry out cleaning tasks
- educate students on effective communication and active listening

3 The Buddy Clean Workshop will take place during curriculum time on 8 March 2018. During the programme, pupils will be putting the skills they have picked up into practice through cleaning some classrooms and selected rooms in the school. Pupils will be required to be in their PE attire on that day.

4 We hope that you can also involve your child/ward in cleaning tasks in your home after the workshop, so that they continue to see their important role in keeping the environment clean.

Thank you for your continued support in our Values In Action programme.

Yours sincerely

Winnie Tan (Ms)  
Principal
