Dear Parents,

Sports Exposure Programme (SEP) for Primary 2

1. As part of the school's Learning for Life Programme in Sports Excellence, the school is conducting the Sports Exposure Programme for all Primary 2 pupils. This programme is designed with the intention of enhancing our pupils' development in the physical and social domain. Your child is strongly encouraged to participate in this programme. The programme consists of 6 lessons and will be conducted by our qualified PE trained teachers.
2. The objectives of SEP are as follows:
 - To expose pupils to a wide range of sports skills and identify pupils with potential for further development
 - To increase physical activities for our pupils through a structured programme
 - To enhance the physical health and well-being of our pupils as part of holistic education
 - To develop pupils' character, leadership and positive attitude through sports participation
3. Upon completion of SEP, eligible pupils will be invited to participate in the Sports Training Excellence Programme (STEP) for volleyball, one of the niche CCAs. The SEP schedule and additional information (Annex A) is attached for your reference. In the event of any changes or cancellation to the sessions, a letter of notification will be issued to pupils. You will also be informed if your child is selected to join STEP at the end of the programme.
4. Should you need further information, please contact Mr Chin at 6269 7410.
5. Please submit the completed Reply Slip to your child's form teacher by **7th March 2018**. We look forward to your support in your child's participation.
