5 April 2018

Dear Parents/Guardians

Mother Tongue Languages (MTL) Fortnight 2018 - Malay

Our Mother Tongue Department annual programme "Mother Tongue Languages Fortnight" will be held from 5 April to 19 April. This year, our theme is 'Mother Tongue connecting our hearts and minds'.

2 The purpose of the MTL Fortnight activities is to create authentic opportunities for students to actively use MTL, interact with the associated culture and experience MTL as a 'living language'.

3 The school has lined up a series of activities for your child/ward. We have fun-filled recess activities specially set up to encourage your child/ward to speak in their Mother Tongue beyond the classroom. We have also arranged various exciting activities, e.g. Readers Theatre, singing sessions, story-telling sessions and news casting etc. for students from different levels.

4 As the school recognises the importance of family involvement in promoting the love of MTL, we have included a family bonding activity for you and your child/ward. We hope that you can take this opportunity to use Mother Tongue Language with your child/ward in completing these interesting questions.

5 The school will be giving out a parent's survey to collect feedback regarding MTL Fortnight at a later date. We appreciate comments to help us improve our programme.

6 We thank you for your support. We hope you and your child/ward will enjoy the MTL Fortnight 2018 activities lined up.

Yours sincerely
