### SCHOOL MEALS PROGRAMME 2017

Dear Parent/Guardian,

This is to inform you that your child/ward is under the School Meals Programme for 2017, a benefit of the Financial Assistance Scheme (FAS).

Under this programme, your child/ward will be provided with \$2.00 on each school day to buy food from the canteen stalls. An additional \$4.00 will be provided on a weekly basis to subsidise your child's/ward's lunch when he/she stays back for after-school programmes.

The school will top-up the allocated value in pupils' School Smartcards / FAS cards weekly. Pupils are advised to manage the stored-value and spend it prudently.

P2 to P6 pupils in the programme would have received a FAS 2017 sticker to be pasted on his/her school smartcard. P1 pupils would have also received their FAS cards. If the FAS card is lost or damaged, the school will not provide any replacement and your child/ward will have to use his/her school smartcard.

Pupils are required to show their cards to the canteen vendors when buying food. In order to provide your child/ward with a variety of food, he/she can purchase from any stalls, except the cold drinks stall.

It is important for children to have proper meals, especially breakfast. Children tend to be more attentive when they are not hungry. Hence, we strongly urge you to encourage your child/ward to have his/her meals.

Thank you.

Yours sincerely

Sivodayan (Mrs)  
Coordinator / Pupil Welfare
