Dear Parents,

COLLECTION OF FOOD RATIONS FOR THYE HUA KWAN MORAL CHARITIES SENIOR ACTIVITY CENTRE BY CUB SCOUTS

In conjunction with The Singapore Scouts' Association's initiative, "A Good Deed A Day", the cub scouts of Woodlands Primary School (Manta Ray Scouts Group) will be embarking on a school-wide collection of food rations for Thye Hua Kwan Moral Charities Senior Activity Centre (THK SAC).

In line with the school's vision of developing "Gracious Woodlanders with the Zest to Excel", we ask for your support to donate food rations for your child/ward to bring to school. Through this activity, we hope to provide an opportunity for pupils to contribute to the community and in the process, help them learn important values such as respect, compassion and empathy.

A list of suggested rations is appended behind. The collection is from 3 April 2017 to 7 April 2017. The Manta Ray cub scouts will be collecting the rations at the foyer and we will send the rations to THK SAC on 8 April 2017. The Manta Ray Scouts and Ventures will be distributing the rations to the needy old folks living in the area.

We look forward to your kind support and participation in this event. Thank you.

Yours sincerely

Ms Winnie Tan

Principal
